

## IN-PERSON WORKING GROUP RECAP OCTOBER 12, 2016

### Theme ideas:

- Buildings, Recreation, Equipment, Parks, Fleet, Traffic Signals, Sidewalks

\*\*Add TCA component for next workshop

### Speaker Ideas:

Mat Steppan suggested possibly for the February 2017 workshop:

1. Senator Grant Mitchell from the Alberta Common Ground Alliance (TELUS, Shaw, ATCO, etc.) to speak on federal legislation to register in-ground federal infrastructure.  
The topic could be Underground Infrastructure
2. FCM – Michael at AUMA conference spoke on grant funding  
There are three levels:
  - Direct technical assistance
  - Association
  - Education/awarenessThey are rolling out the program in early 2017 with \$50 million available
3. Alberta Safety Codes – Theme: Energy Management  
Alberta Building Code is changing effective November 1, 201. There will be an increase in costs of 30-40%

### Sponsorship:

Previous Sponsors have been:

- Edmonton
- Calgary
- Lethbridge
- Airdrie
- ASET
- Sturgeon
- Alberta Municipal Affairs

Joel suggested upping the registration costs by \$10-\$20/person. He will send an email to BC, Ontario, Saskatchewan on their models and value for \$\$'s.

CNAM Conference – May 13-15, 2017

Russell is looking for volunteers at the conference.

Joel asked to have a Doodle poll conducted for a new day and time for teleconference meetings (10:00 to 11:00 am, other than Wednesday. He is unable to make the current meeting day and time. There were a few nods from others with the same circumstance.
