- **Challenges and Innovations in Municipal Asset Management**

(1:15 pm – 3:00 pm)

An interactive session on TCA reporting practices, challenges and solutions.

Developing and implementing an asset management plan is a challenging process for many municipalities. However, working through these challenges can lead to significant benefits for municipalities in the form of better decision-making and more efficient operations. This panel will provide the perspectives of four municipalities on challenges that they faced in adopting asset management, innovative approaches to overcoming them, and lessons learned that other municipalities could apply to their own asset management processes.

Wyatt Skovron
AAMDC

Panel: Zimran Khokhar & Bhupesh Sakalley, Brazeau County; Andre Ulloa, Town of High River; Elena Loukin & Scott Sillers, Strathcona County; Andrew Sommerville, City of Lethbridge.

- Wrap-up and next meeting (3:00 pm – 3:15 pm)
